

# PABLO INFERNAL

Tech and catering rider

## Stuff

Microphone stands in good condition  
 230V power with T13 sockets on marked locations  
 Drum riser 2 x 2m  
 4 towels

## Catering

We really know how to appreciate good food. But we also like something simple as a locally made sausage with fries or Pizza made by an Italian. No vegetarians.  
 Local lager beer, something dry and sparkly & whiskey  
 Gauloises Red Cigarettes

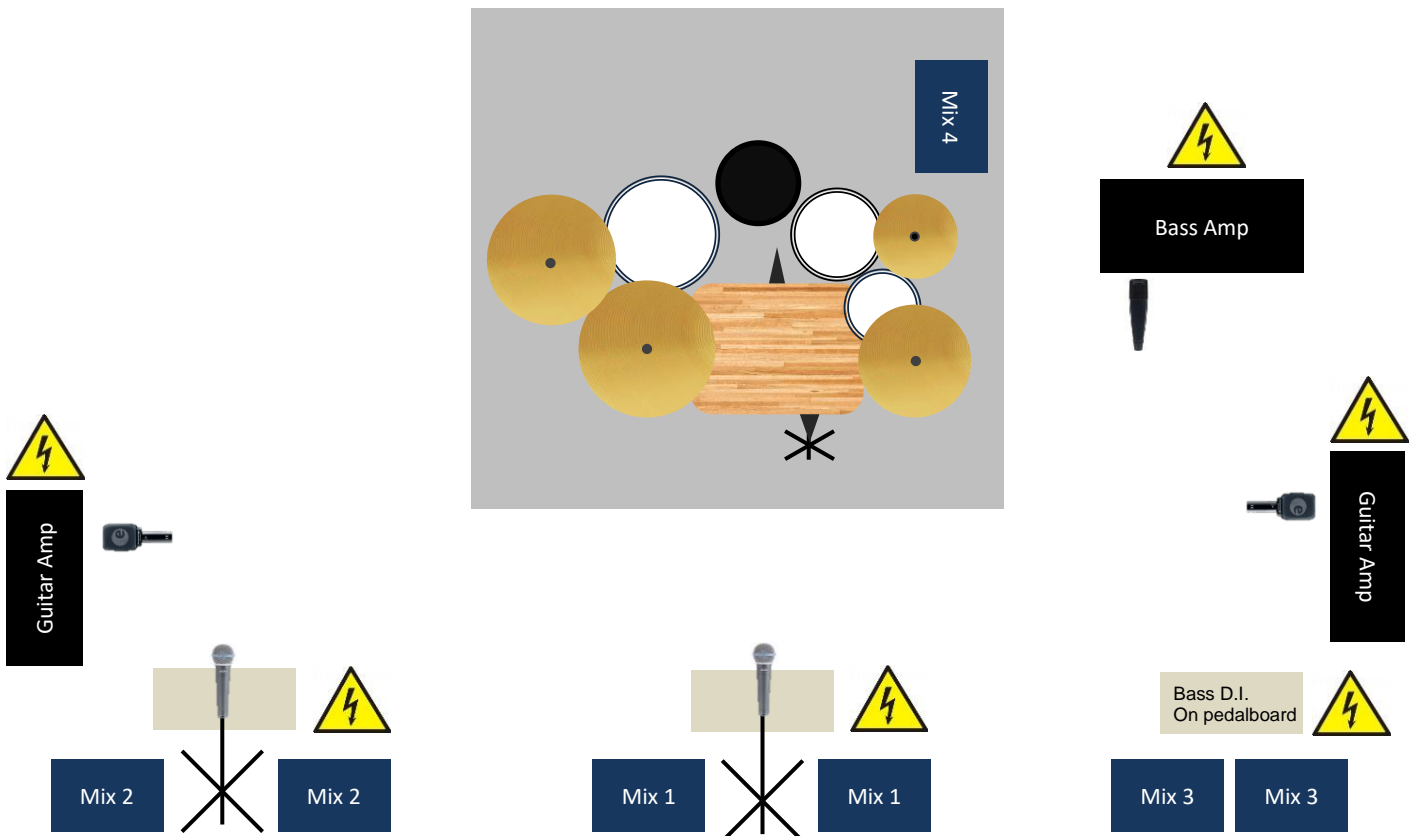

## F.O.H

Monitoring stage front: 6 (min. 3) wedges on 3 Aux Sends  
 Monitoring drummer: 2 (min. 1) wedges on 1 Aux Send

## Effects/Lightning

Basically any decent kind of lightning is cool with us.  
 ...but keep in mind:  
 Fog, we fogging love fog! And Strobe rules the globe.  
 We love when the lights dim down when we're playing some quieter parts in the set.
