

ONE LUCKY SPERM
Version 2, 25.09.2012

schallwerk.ch
audiotechnik

- Hello** We come in peace and are happy to work with you =)
- PA** Please provide a professional stereo fullrange PA system adapted to the dimensions and capacity of the venue. The PA should be free of any distortion, time- and phase aligned including all fills, subs and delays. It should be run trough a system-controller fed by L/R.
Please provide enough low end and let your neighbours
- FoH** We prefer digital mixing desks such as Soundcraft Vi 6, Vi 4, Vi 1, Yamaha PM5D-RH, CL Series, M7CL, Digidesign Venue, Profile centrally located, in meaningful distante to the stage and on the same level as the audience, not on top or under a balcony.
- if analog** 24 Inputs, EQ 4-Band parametric, HPF, VCAs
1x t.c. M2000 or equivalent
1x Lexicon PCM96 or equivalent
4x Gate (Drawmer)
8x Compressor (BSS 404 oder better)
- Monitoring** Please provide 4 identical floor wedges on 3 lines. If possible an additional drum fill sub. We need 2 XLR-feeds from FoH to the Stage (In Ear Drums)
- Mics** Please provide all Mics and DIs as on the patch list on page two
- Stands** 1x mini (Bass Drum)
8x small (Snares / Hi Hat / Amps)
5x tall (3x Vocals / 2x OH)
- Stage** Stage size should not be smaller then 4m x 6m / 60cm in height or more
- Risers** 2m x 2m x 0.4m Drum Riser - in the case of a festival on wheels please
2m x 2m x 0.4m Keys Riser - in the case of a festival on wheels please
